The Friends of the Hamilton Public Library is a volunteer organization with the sole purpose of supporting and promoting the vision of the library. The Friends support the library by raising funds for materials, supporting children's and adult programming, holding book sales, volunteering at the library, publicizing library needs, and informing the public about library services.

The beautifully remodeled and expanded library offers a tremendous collection of adult fiction and non-fiction, as well as titles for young adults, teens, and children. The Children's Library has an outstanding collection with many AR titles for students. The library is a satellite AR testing center for Hamilton AWE and JH students. The center is monitored daily by staff and trained FOL members. Enjoy the coffee bar and the newly landscaped back terrace overlooking Pecan Creek while visiting or volunteering at the library.
